# SAP ADVISORY SERVICES

## INNOVATION THROUGH INSIGHT

Our workshops are tailored to uncover the unique needs of your business, leading to SAP solutions that drive innovation. By assessing your current SAP landscapes, we provide optimization strategies that streamline processes and enhance operational efficiency.

## GUIDANCE THROUGH TRANSFORMATION

Embark on your cloud migration and digital transformation confidently with Emphasys. We offer seasoned expertise in SAP best practices, ensuring a smooth transition that is aligned with your project goals and desired outcomes.

## TAILORED SOLUTIONS FOR UNIQUE DEMANDS

Recognizing the diverse nature of industries, we specialize in using SAP to meet sector-specific requirements. Our approach to developing business cases for new SAP investments is rooted in a deep understanding of your business's unique value drivers.

## CHANGE MANAGEMENT AND CONTINUOUS IMPROVEMENT

Leading change management is at the core of our SAP solution implementation. We ensure seamless coordination between business units and SAP technical teams, managing project portfolios with a strategic eye on priority and impact.

## S/4HANA AND BEYOND

Stay ahead with SAP S/4HANA capabilities, understanding new functionalities through our comprehensive workshops, demonstrations and proof of concepts. We lead risk assessments and user experience evaluations, ensuring your SAP systems are robust, user-friendly, and secure.

# SAP ADVISORY SERVICES

## DATA GOVERNANCE AND COMPLIANCE

With Emphasys, data governance is simplified, and compliance is guaranteed. Our advisory extends to integrating SAP with third-party applications, creating operational models that exemplify efficiency and effectiveness.

## STRATEGIC GROWTH AND PERFORMANCE

Customized licensing and pricing models, strategic advice on product roadmaps, and quality assurance directives are just the beginning. We help you leverage SAP analytics for informed decision-making and navigate solution scalability for your growing business needs.

## SECURITY AND SUSTAINABILITY

Our strategies for SAP data management and security protect your most valuable assets. Post-go-live, we design support strategies that ensure sustainability and continuous improvement.

## THE FUTURE OF SAP WITH EMPHASYS

Innovation doesn't pause, and neither do we. By innovating with SAP's emerging technologies and provide consultancy on custom developments, we position your enterprise at the forefront of the technological curve.

**Emphasys Pty Ltd is a boutique SAP services company based in Australia, with a footprint extending across the Asia Pacific region.**

**As a trusted provider of SAP solutions, we pride ourselves on delivering highly specialised services, tailored to meet the unique needs of our diverse clientele.**

Founded by a team of industry experts, Emphasys has grown to become a recognised leader in the SAP services space, awarded a Gold Level Partnership by SAP and independently certified by PwC with an international certification of Quality ISO:9001:2015. Emphasys focuses primarily on four core areas: SAP Architecture, Integration and Mobile Development and S/4HANA Advisory Services. We leverage our knowledge and expertise to drive digital transformation and enhance business productivity for our clients.

Our unique experience, and powerful methodology and international partners combined with our in house developed intellectual property (We developed and own [www.sapapp.com](http://www.sapapp.com)) sets us apart from our competitors. This methodology is centred on understanding our clients' needs, applying the best-suited SAP technologies to meet those needs, and implementing solutions in a way that optimises business processes and maximises returns on investment with re-usable future proof solutions.

Our ability to deliver superior services is further enhanced by our extensive networks and strategic partnerships. We collaborate closely with other industry leaders, allowing us to access a wider range of products and services.

# COMPANY OVERVIEW
